

ALL ABOUT TOOLBOX AND HOW TO BECOME A TOOLBOX FACILITATOR

Toolbox parenting groups give parents encouragement, inspiration and practical strategies for creating great family life.

Toolbox facilitators lead the group by guiding parents through the material and managing discussions and activities. Full training and support is given.

Toolbox facilitators are not experts, but they are passionate about parenting, like working with people and are comfortable in a group setting. They enjoy helping parents find solutions, encouragement and support and often come away from Toolbox sessions with some new ideas to try with their own family! This is a voluntary position, with a small gratuity payment at the end of each course.

If this sounds like you and you'd like to know more, you are invited to an information evening. You'll experience a taste of Toolbox material and find out what is involved in becoming a facilitator.

Wednesday 24th May 10.00 – 11.15 am

or Wednesday 7th June 7.00 – 8.15pm

The Parenting Place, 300 Great South Road, Greenlane
