

ADOLESCENT BRAIN DEVELOPMENT: MYTHS & INSIGHTS

This presentation will cover recent advances in the science of adolescent brain development and challenge some popular myths around teenagers' brains being defective. The talk will cover Positive Youth Development and how to support our young people in a rapidly changing world.

Date: 12th November 2018

4:30pm – 6:00pm

**Venue: Waitakere Conference Room, Snelgar Building
Waitakere Hospital, Henderson
AUCKLAND**

Presenter: Dr Simon Denny

*Associate Professor -The University of Auckland &
Adolescent Paediatrician – Centre for Youth Health*

The seminar will provide an opportunity to ask questions, and network.

There is no charge for the Symposium

Please complete the Registration Form attached if you would like to attend.
